MARCH 2025

GLOMO PAYMENTS IFSC PRIVATE LIMITED received ISO 37301:2021 Certification

GLOMO PAYMENTS IFSC PRIVATE LIMITED completed the initial audit for self-accredited ISO 37301:2021 Certification for Compliance Management System.

ISO 37301:2021 Certification is an internationally recognized standard for Compliance Management Systems (CMS). The standard provides a comprehensive framework for organizations to establish, implement, maintain, and continually improve their compliance processes.

The GLOMO logo is displayed in a large, bold, dark blue font. The letters are thick and blocky, with a slight shadow effect. The logo is centered within a white rectangular area that has a thin grey border on the left and bottom sides.

JPM INDUSTRIES LIMITED_Transfer received ISO/IEC 20000-1:2018 Certification

JPM INDUSTRIES LIMITED_Transfer completed the recertification audit for IOAS-accredited ISO/IEC 20000-1:2018 Certification that specifies requirements for IT service management (IT-SMS).

ISO/IEC 20000-1:2018 certification ensures that organizations deliver high-quality IT services aligned with business needs and customer expectations. It emphasizes risk management, service continuity, and continual improvement by helping businesses enhance efficiency, reduce downtime, and optimize resource utilization.

Tribal Providers PLLC
Certified for ISO 9001:2015

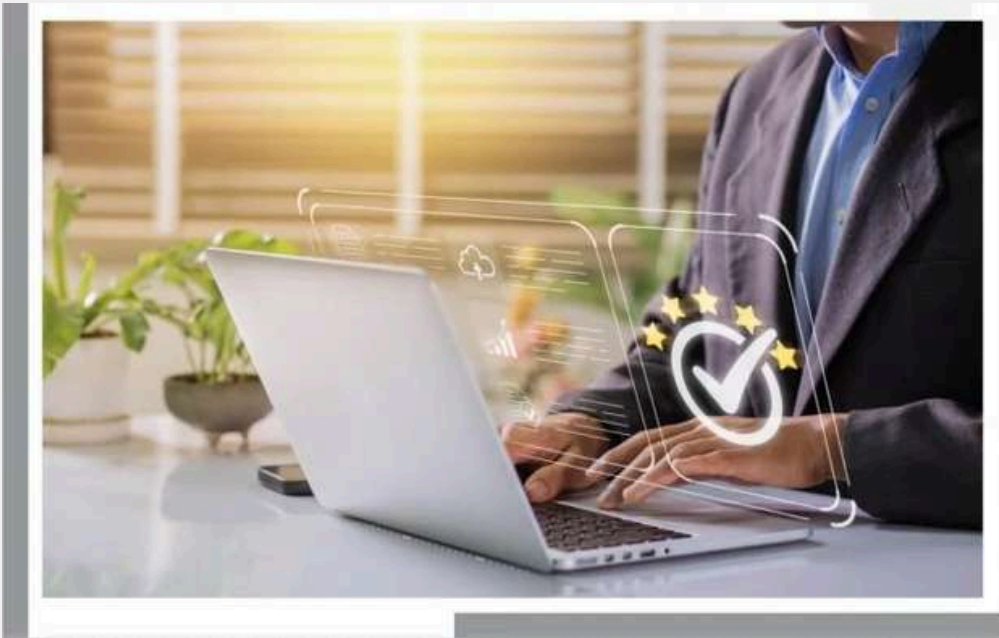

Tribal Providers PLLC
bagged ISO 9001:2015
Certification

Tribal Providers PLLC has successfully completed the initial audit for IAS-accredited ISO 9001:2015 Certification for Quality Management System (QMS). The scope of the management system includes Healthcare, Consulting, Management and Staffing Services. ISO 9001:2015 is a globally recognized quality management standard emphasizing customer satisfaction and continuous improvement. The standard requires top-level management to implement effective quality measures, ensuring enhanced employee engagement and productivity. ISO 9001 standard streamlines various business operations to optimize efficiency and strengthen organizational performance. It helps businesses maintain consistency by reducing errors and enhancing service quality. As a result, it leads to higher customer trust and long-term success in a competitive marketplace. ISO 9001:2015 promotes the practice continual improvement and enables Tribal Providers PLLC to identify and address areas for enhancement. Hence, it leads to increased efficiency and productivity.

The benefits of ISO 9001 for EMPIRE OF ENGINEERING are as follows:

- ISO 9001 enhances the quality of products and services within EMPIRE OF ENGINEERING. As a result, it reduces errors and redundancies to improve competitiveness and customer satisfaction.
- ISO 9001 certification opens doors to the global market while fostering trust and confidence among partners, customers, and stakeholders by implementing both national and international best practices.

Stratasys Direct's Arizona Manufacturing Site receives ISO 13485 Certification

The Stratasys Direct manufacturing facility in Tuscon, Arizona, was awarded ISO 13485 certification, which is an internationally recognized standard for quality management systems in medical device production.

Stratasys plans to extend this certification to its other Stratasys Direct manufacturing plants in Texas and Minnesota.

By obtaining ISO 13485 certification, Stratasys Direct is officially acknowledged for the safety, accuracy, and dependability of its 3D-printed parts. This certification tackles essential regulatory demands, eliminating obstacles to adoption and allowing medical device producers to increase production consistently while promoting innovation, lowering expenses, and enhancing patient results. Stratasys Direct has been providing custom 3D-printed models and components to the medical industry for many years. The ISO 13485 certification expands on that service by offering a clear path to regulatory compliance, maintaining consistent quality, and increasing market access for advanced manufacturing solutions.

Dar Al Atta'a Association achieves third position at the Kuwait award ceremony

Dar Al Atta'a Association achieved third position in the fifth iteration of the Khaled Al-Essa Al-Saleh Award for Institutional Excellence..

The ceremony for the awards took place with the support of Dr. Amthal Al-Huwailah, who is the Minister of Social Affairs, Family, and Childhood in Kuwait, and was arranged by the Union of Charitable Societies, featuring representatives from different charitable groups across the Gulf area.
