Blue Crystal Solutions Secures Dual ISO Certifications for Quality and Information Security

Blue Crystal Solutions has officially earned ISO 9001:2015 certification for its quality management systems and ISO/IEC 27001:2022 certification for its information security management systems.

As a specialist in cloud and database services, the Adelaide-based firm pursued these internationally recognised certifications to bolster its cyber resilience—both for its internal operations and its clients.

“Achieving these certifications aligns with the high standards our current clients expect and helps eliminate barriers when engaging with new customers,” said Managing Director Vito Rinaldi.

Valid for three years, these dual certifications demonstrate that Blue Crystal Solutions has robust protections in place to guard against cyber threats, data breaches, and unauthorised access.

Emery Oleochemicals Earns ISO 50001 Certification for Energy Management, Recognized for Environmental Excellence

CINCINNATI, OHIO, USA – June 2025 – Emery Oleochemicals has reached a major sustainability milestone by achieving ISO 50001: Energy Management Systems certification at its Cincinnati manufacturing facility. This certification, officially awarded in December 2024 after a comprehensive third-party audit, demonstrates the company’s strong commitment to energy efficiency and environmental stewardship.

In recognition of this achievement, the Ohio Chemistry Technology Council (OCTC) honored Emery with its Award for Excellence in Environmental Performance during the 36th Annual Conference in May 2025.

Already holding ISO 9001 and ISO 14001 certifications for over 20 years, Emery’s Cincinnati site continues to raise the bar in operational excellence and sustainability.

Gautam Budh Nagar: Five More Police Stations Earn Prestigious ISO Certification for Quality Services

NOIDA – In a major step towards improving public service and operational standards, five more police stations in Gautam Budh Nagar—Beta-2, Bisrakh, Sector 39, Sector 49, and Sector 58—have been awarded the ISO 9001:2015 certification for Quality Management Systems.

With this latest achievement, the total number of ISO-certified police stations in the district has now gone up to eight. Earlier, the Expressway, Badalpur, and Knowledge Park police stations had received the same certification. Additionally, the Police Commissioner's office in Sector 108 and the Police Headquarters in Surajpur are also ISO-certified.

According to an official statement by the Gautam Budh Nagar Police, the certification process involved a thorough evaluation by an ISO committee. The assessment covered key areas including physical infrastructure, documentation practices, service quality, and public-facing operations.
