## **KELAJ (GUYANA) INC Renews ISO 9001:2015 Certification**

KELAJ (GUYANA) INC has successfully achieved ISO 9001:2015 Re-Certification following a successful re-certification audit. This achievement reflects the company's continued commitment to customer satisfaction and quality excellence across its wide range of industrial, inspection, engineering, maintenance, logistics, and support services.

### About ISO 9001:2015

First published in 1987, ISO 9001:2015 was developed based on risk-based thinking, customer satisfaction, and continual improvement. The standard provides a globally accepted framework for managing quality within an organisation, helping establish, implement, maintain, and improve processes across all levels.

By defining process ownership, ISO 9001 focuses on customer satisfaction, helping organisations meet regulatory expectations.
